

# 50.003N | Extreme Guard 300

TOTAL MARK | Lamination Films

**EXTREME GUARD**  
high gloss 300 micron  
overlaminating film

## ABOUT

Extreme Guard 300 is a PVC overlaminate that provides your graphics the ultimate protection while maintaining clarity. The 300 micron transparent polymeric vinyl imparts extra thickness which ensures a high degree of durability to graphics in order to withstand UV exposure and tough handling conditions. The high gloss surface will add vibrancy & depth to the print or decal. Suitable for outdoor use up to 5 years. Achieve the perfect application by combining with the **51.100N-3 | ForceTack Satin White** or **40.100N | StrongTack** print film.
